Sonoma Pets

Sonoma Pets serves Sonoma County's impassioned pet owners connecting them with the best information, products and services available to enhance their lifestyle and the lives of their pets.

Sonoma Pets convenes and advocates for the growing local pet community, be they first-time pet owners or experts in the field. Engaging content and useful resources, coupled with playful features and photos of pets in both print and online formats, celebrate the Sonoma County pet-owning experience.

Using a multi-media portfolio consisting of a targeted quarterly print publication, an interactive website, and the Press Democrat, Sonoma Pets offers essential what-to, when-to, and how-to information to optimize the pet lifestyle in Sonoma County. This unique combination affords advertisers the ability to effectively and affordably target this highly desirable community.
